

COMMUNITY COLLEGE OF THE AIR FORCE (CCAF) <https://www.airuniversity.af.edu/Barnes/CCAF/>

The Community College of the Air Force (CCAF) is one of several federally chartered degree-granting institutions; however, it is the only 2-year institution exclusively serving enlisted personnel. The college awards the Associate in Applied Science degree after a student successfully completes a degree program designed for an Air Force specialty. The member must have attended a 3 level Technical School (INT 3000 is no longer granted) and hold at least a 5 level in that AFSC to be awarded a degree. If the member has separated from the military, they can still receive their CCAF as long as they had completed all requirements prior to separation.

Currently CCAF has 6 approved vendors: Parchment; eScrip-safe; National Student Clearinghouse; Credentials Inc.; Maryland District Server; and Joint Services Transcript (JST). Electronic transcripts should be sent to: ccaf.etranscript@us.af.mil.

Applying for your CCAF Degree

Once you have completed all of the requirements to be awarded your degree, contact The Force Development Office. We will review your record and submit an Action Request to nominate you for your degree, if all requirements are met. CCAF will review your record again and process the transaction, as applicable.

If you did not receive your CCAF Diploma, and your UTM (or the FDO) is unable to locate it, you can email CCAF directly to request a copy at: registrar.ccaf@us.af.mil.

Changing Programs or Enrolling into a Subsequent Degree

An Airman may register in a subsequent degree program in his or her primary, secondary, tertiary or fourth AFSC (not duty/control) provided the Airman has not been awarded a degree in a program designed for that AFSC. A student registered in a subsequent degree program must earn and apply a minimum of 24 semester hours of unique (different) technical credit—at least 12 semester hours must be CCAF credit. If you want to change to a current degree program or file for a subsequent degree in your current AFSC, contact the Force Development Office. We will review your record and submit an Action Request to change your degree program. CCAF will review your record and take action as necessary.
